Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner had pointed out that claim 33 as amended does not include all of the limitations of claim 8, subject matter of which (i.e. of claim 8) should have been included in said claim 33 in it's entirety. Therefore, claim 33 had been amended accordingly in order to correct the aforementioned deficiency. For details, please see the Examiner's amendment attached herewith. .
